We are thankful for our INCREDIBLE Walden community!

At Walden, we are so proud to be a "Camp That Gives." We believe that being part of a camp community means caring about more than just ourselves, and this is a lesson we work hard to instill in our campers every summer.

One of the ways we bring this value to life is through our partnership with Project Morry, an incredible organization that provides life changing summer camp experiences and year-round support to children and youth from under resourced communities. We believe every child deserves the opportunity to experience the magic of summer camp, and we are proud to help make that possible.

This year, our Walden community came together to raise over $30,000 for Project Morry! Earlier this month, we had the opportunity to attend their annual benefit, which raised an incredible $2.5 MILLION (!!!) to support their important work.

And if that isn't AMAZING enough....

Each year, Project Morry holds a Camp Tuition Auction, where families from Camp Walden & some other overnight camps have the opportunity to make a generous, tax-deductible donation while securing a full summer of camp for their child.

We are SO proud to share that this year's winning bid came from one of our very own Walden families - Alecia, Robert, Penny, and Lilou Stein!

To the Stein family, THANK YOU for your incredible generosity and for helping make a difference in the lives of so many children. We are so lucky to have families like yours as part of our Walden community!

This is what it means to be a Camp That Gives.
We couldn't be prouder of our Walden community!
